New take on a familiar subject! Excellent video too.

Reminded me of a flowing river. Soothing yet demanding attention that time is moving on.

Very soothing, sounds distinctly like rain. Every house needs a clock room!

Very interesting!

Raindrops + ticks, interesting sounds.

Nice see a  
bit of Artist in  
INCREDIBLE SURPRISE  
BRILLIANT!

Beautiful, surprisingly peaceful. Great work

What a Surprise! The sound  
of the clocks was so unusual  
but incredibly soothing.

Well done on an excellent exhibitio

Great exhibition.

at

A fabulous hidden  
gem and stunning exhibitio

Excellent gallery  
My favourite.

Came recently to

the exhibition &

love the clocks. Children

loved drawing their

own clocks in the  
dark room. Fantastic

experience.

The effect of water

- very soothing and  
mesmerizing!

Lovely exhibition! So

glad I came. Now I'm a  
friend of THG. I will come  
more. So glad this gallery  
continues to be a success!

- A lovely gallery - very friendly,  
relaxed & beautiful. Thank you!

The ticking was so peaceful  
like rain drops.

A quiet moment -  
really requires attention

Very interesting. What a  
fascinating man too!

An interesting TIME!

Excellent idea!!

An amazing variety!

Amazing - You're the  
ticking sound + so  
proud to be in a  
display case!!

- tock great!!

Definitely a landscape  
A time <sup>thought</sup> so <sup>provoking</sup>.

Made lots of  
Nice things.

7F Very nice

5 Wonderful installation  
& loved the videos!

Kids loved the workshops.  
Thoroughly enjoyed

The clock layout is fab!      erent from the one  
EX10 0SQ      next to it.

I think the clocks were amazing!  
Wow! How honoured we are to have  
this in Honiton.

Fantastic conception & display  
great to see them & also the movement.  
Nostalgic collection & I liked the sense of water  
running when you listen carefully - relaxing (surprisingly)

COENWAL.      Lovely display
